The archive of the webcast, along with its accompanying presentation, will also be made available immediately in the Investors section of Neptune’s website under Investor Events and Presentations.

**About Neptune Technologies & Bioresources Inc.**

Neptune is a nutrition products company focused on the business of customized unique nutrition solutions, specialty ingredients and consumer brands. The company develops turnkey solutions available in various unique delivery forms. Neptune also offers premium krill oil manufactured in its state-of-the art facility and a variety of other specialty ingredients such as marine and seed oils. Neptune sells its premium krill oil under the OCEANO3® brand directly to consumers in Canada and the United States through web sales at [www.oceano3.com](http://www.oceano3.com). OCEANO3 is also sold as a turnkey solution to distributors. The Company’s head office is located in Laval, Quebec.

Neptune is also pursuing opportunities in the prescription drug markets, through its approximately 34% owned subsidiary Acasti Pharma Inc. (“Acasti”). Acasti focuses on the research, development and commercialization of new krill oil-based forms of omega-3 phospholipid therapies for the treatment of severe hypertriglyceridemia.
