Reasons Your Brand Needs Tasty Chewable Softgels

1. Revolutionary Chewable Softgel!

It looks like a gel cap but it's actually an easily chewed softgel. **Pops in your mouth!**

2. Innovative Solution for Pill Fatigue

Easy to take, at home or on the go! An easy small size, delivery form for children & those that can't swallow pills.

3. Versatile

Chewies can deliver any liquid oil based supplement from a variety of vitamins, healthy fats and specialty ingredients.

4. Great Tasting Finished Product

Neptune's proprietary aromatic system delivers liquid oils that consumers love and ensures ongoing consumption.

5. Customizable

Endless possibilities combining actives and tasty flavors from citrus and berries, to tropical and maple.

6. High Dosage Delivery

Concentrated liquid oil within the softgel packs a punch — up to 500 mg worth of nutraceutical active ingredients!

7. Sugar Free!

Keep it efficacious and healthy for your customers.

8. Stand Out from the Crowd

A novel form to add value to an existing product line and differentiate your brand.
